## An Open Letter from Pat Bobb

Dear ECAHS Members,

I want to take a moment to let you know how appreciative I am of you all for your expressions of sympathy and condolences on John's passing this past December. ECAHS has been a very important part of our lives over the past twenty-seven years, and nothing has been a greater blessing to us both than the friendships we have made over the years.

John always liked horses, but he was not the crazy horse person that he married. However, he always indulged my birth defect and put a lot of himself not only in me and our horses, but also into the ECAHS organization, itself. He served as a Director, Membership Chair, Treasurer, produced the Directory for several years, supported the Crabbet Celebrations by being Barn Manager, a member of the Grounds Crew and various other positions. He also supported both ECAHS as well as the Arabian Horse Archives Project by donating his own time and expense into digitizing archived photos, videos, audio tapes and Memory Books for both organizations. I am admittedly prejudiced, but ECAHS has lost a valuable asset by his passing.

So many of you, in your notes and cards, have commented on his friendly smile and wit. He loved being with people and truly enjoyed your company. While he was outgoing and welcoming, he also had his own opinion on issues, and was not reluctant to express them. But he never denigrated opposing views held by others and he never let differences damage his relationships with friends.

I have always referred to him as "My Other Half", and he was surely that, as well as my Soul Mate. I will never stop missing and loving him, but life is now beginning to settle into a new routine, made easier by the love and support of our many friends and amazing family.

I will be eternally grateful to you all, and if he could, I'm sure he would tell you the same thing.

Thank you and God Bless you,  
Pat
