Let's Celebrate our 2022 ECAHS Member Foals

E-mail me 2022 foal photos for inclusion in the ECAHS 2022 Foal Paddock on the website AND in an album on the ECAHS Facebook page.

address for submissions or questions dawnjl@faeriecourtfarm.com

Photo quality -- at least a moderate resolution image --1M or larger though I can work with a 500K file—photo should ideally be in focus, with a non-distracting background-- meaning a background that isn't full of clutter, large manure piles, etc. OK if mare and/or people are in photo as long as they are part of the composition.

Please include the following information with the foal photo (one photo per foal due to space limits):

- **name of sire**
- **stallion owner if outside stallion used**
- **name of dam**
- **Crabbet % of parents if known**
- **foal's breeder (and owner if different than breeder).**
- **date foal was born**
- **colt or filly**
- **foal's color**
- **approximate age of foal when photo taken (OK to submit any image from birth to 6 months)**
- **breed (Arabian, Anglo-Arab, Half-Arab (specific cross info is welcome)**

The 2022 Foal Paddock on the website will be a news post and an album on the Facebook page. I can add new photos as they are sent so I can keep including new submissions after the initial posting. Submissions will be accepted through the fall, but sooner is better!

Let's showcase our wonderful Crabbet-line foals to our ECAHS community and beyond!!!
