Evening Fire Ruby (Fire Reflection X MI Royal Flag) had a 100% Crabbet chestnut filly July 1, 2022. Sire is DSA Brynn CRB who is sired by the Doyle stallion Gavin. This filly is a combination of multiple breeding programs (Helen Lewis, Caroline MacKenzie, Gwen Pfouts (now Hatfield)).

I rode Kari Melody (Kari Locket's Kadence(*Dandaloo Kadet) X FV Silver Mistic(*Seyad)) 100% Crabbet mare, on her first long distance ride, a 13 mile set speed at Coates Creek Challenge. We were accompanied by my daughter Clara riding Kari Briar(Briggadoo X Belesema Bedazzld) 56.83% Crabbet. Clara rode Kari Briar again the next day on the 25 mile LD but was unable to complete due to muscle soreness.

Some weeks later we took these 2 horses to the new Nickers and Neighs ride, where they were 8th and 9th in the Limited Distance 25mile ride. This was the first overnight ride for Kari Melody and she was a great camper.

News from Dawn & Thom Jones-Low of Faerie Court Farm

We were blessed this season with two exceptional foals. We reported on the filly who was born on May 31st, FCF Winged Valkyrie (FCF Oberons Vanity x FCF As You Wish) earlier this summer. She has continued to develop into a well-balanced powerful filly and will be retained for the breeding program.

On July 1st FCF Titanias Vanity (AF Vanitys Repeat x AM Tawny Britania) had a gray colt by Aur Elijah. We had planned to breed Titania back to Elijah, but tragically Elijah passed away suddenly. Our condolences to Edyne Leavenworth, Jessica Aws, and all those who knew and loved Elijah.

The colt, FCF Titans SilverAura, is an elegant athletic colt with a fabulous temperament. We are excited to raise him as a stallion prospect for the next generation of our breeding program.

These two foals are enjoying growing up together. It's fun to see how bonded they are.

Training has continued for FCF King of the Fairys (AAA Legend of the Seas x FCF Titanias Vanity). He has impressed everyone at the barn with his intelligence, kindness, and athleticism. I'm looking forward to riding him myself very soon!

We have been training a few of our horses to offer for sale. FCF Pucks Vision and FCF Charming Pixie (a gelding and mare both by FCF Oberons Vanity and out of Glorious Epiphany OLA) have been in steady work and are ready to show to buyers. We've also been working with two young horses to start under saddle.

FCF Pucks Vision

FCF Charming Pixie

FCF Thors Valor (FCF Oberons Vanity x FCF As You Wish), a chestnut 5 year old gelding has been backed a few times and is proving himself to be a confident young horse.

FCF CelestiAul Wizard (Magic Aulrab x FCF Silver Stardust) has also been trained to lunge, wear a bridle and saddle, and had prep work for a rider. Wizard is a highly intelligent sensitive gelding and is doing well with a slow confidence building approach. He is so eager to please. He is a 15.1H big moving athletic horse suitable for a tactful rider willing to take the time to build a lifelong partnership with him.

Thom and I congratulate Sari Bolnick and "Team Legend" for Legend's five Top Tens at the 2022 AHA Sport Horse Nationals. He earned Top Tens in Arabian Hunter Hack ATR, Arabian Training Level Dressage ATR, A/HA/AA Level 1 Western Dressage Open, A/HA/AA Level 1 Western Dressage ATR, and in the A/HA/AA Hunter Derby exhibition class. He also won a Senior Star Award for horses 20 years or older achieving successes at SHN. In most of his classes he was ridden by Abby Tymchak and in the Hunter Derby he was ridden by a 14 year old who enjoyed Legend's exuberance over fences. Rumor has it that Legend might get to compete in Jumpers in 2023!

Photos by Don Stine:

Last, but not least, our stallion, FCF Oberons Vanity (AF Vanitys Repeat x Brumarba Callisto) has been developing at the Intermediare II level of dressage. "I-2" is a big step up from I-1 and includes piaffe, passage, one-tempi changes, and canter pirouettes. Over the course of the season, Obie has gotten stronger and is now able to school all the movements individually. He is still developing the strength and refinement of the movements for the full test in the show ring. He is earning as high as 7s on some movements with a few mistakes characteristic of a horse that is still green at this level bringing down the overall scores to 57-58% which is respectable at this level. We know he still has more potential to score even better. A recent clinic lesson has helped illuminate how his rider/trainer Catie can help refine and strengthen the movements. The experiences this season of how the show environment alters his performance in the ring have illuminated a path forward for attaining a confident polished performance at this level and on to the Grand Prix! At the shows, he gets lots of admirers who are excited to see his development and ability. People in the dressage community have been following his progress over the years and we appreciate their encouragement and support.

Warmest regards to all of our friends in the ECAHS community.
