News from Ontario, Canada!

Kari Melody (Kari Lockets Kadence X FV Silver Mystic) 100% Crabbet mare ridden by Richelle Elchuk placed 5th at the OCTRA Provincial Championships 25 mile Limited Distance ride and earned the Best Condition award with a perfect score. Clara Elchuk and Kari Briar (Briggadoon X Belesema Bedazzld) 56.83 % Crabbet also completed the ride in 3rd place. Unfortunately, due to a busy schedule this was the only ride that we attended in 2024. Photo below by Wendy Webb.

We welcomed a new colt to Canada in 2024. Crabbet Evening Star (SSA Jawad PC X Evening Crabbet Diva) 100% Crabbet Bay colt born in 2021, arrived in the spring and we hope to cross him with a couple mares in 2025. Star is out of Evening Crabbet Diva, a mare I used to own and still own her 3/4 sister. I am very happy to get a line to Inshallah Rendezvous (through SSA Jawad PC) who was imported from Australia with Dandaloo Kadet and Rothlynnne Pure Delight. Star combines the three adult horses of the ACABONA importation of 2003. Thank you Janice Siders for selling this sweet colt to me.

Three 100% Crabbet Fillies were sold to Mel Fox of Bitterroot Ranch, Wyoming in the past year. Evening Bronze Bling (Amyr Bronze PC X Evening Crabbet Bliss) and 2 full sisters Dawning Brynns Rhea and Dawning Brynns Rhoda (DSA Brynn CRB X Evening Fire Ruby). They join 100% Crabbet

stallion SSA Kadets Legacy (SSA Jawad PC X Evening Crabbet Diva) at Bitterroot and we are very excited to see future foals from these fillies.

Evening Bronze Bling 2022 Bay filly

Dawning Brynns Rhea 2022 chestnut filly

Dawning Brynns Rhoda 2024 chestnut filly

We hope to breed some of the following 100% Crabbet mares in 2025 to DSA Brynn CRB (Gavin X Senoran Rose) or Crabbet Evening Star

Brazen Angel (Dandaloo Kadet X Brazen Secret)

Evening Fire Ruby (Fire Reflection X MI Royal Flag)

Kari Halo (Amyr Bronze PC X Amyr Hope PC)

Kari Melody (Kari Lockets Kadence X FV Silver Mystic)

Evening Kadence Rumba (Kari Lockets Kadence X MI Royal Spring)

Evening Crabbet Bliss (Crabbet Royalty X ACABONA Blessing)

Evening Bronze Bella (Amyr Bronze PC X Evening Crabbet Bliss)

Offering some of the above broodmares for lease for those who are interested in breeding their own 100% Crabbet foal.

In consideration of age and health issues, a decision has been made to form a Consortium with the objective of distributing the horses of Fairfield Farm Continuum. The details of the Consortium are provided below. We are looking for a limited number of individuals or farms who may be interested in becoming Members of this Consortium. At this time, we would like to limit the Members to residents of the Eastern part of The United States, or Canada, i.e. east of the Mississippi River. All Members of the Consortium must be approved by William A. (Buzz) Moore, Jr., who is the owner of the horses of Fairfield Farm.

This is a rare opportunity for essentially a free lease of one or more of the finest Arabian horses of predominantly Crabbet bloodlines in the United States.

If you are interested in being considered to become a Member of this Consortium, please provide your name, address and a brief statement explaining your interest, and e-mail it to Pat Bobb at pbobb@aol.com by April 30, 2025.

Photos and/or videos of the horses will be made available by request.

All inquiries will be responded to and final selection of the Consortium members will be announced by May 15, 2025.

Fairfield Farm Consortium (FFC)

The Fairfield Farm Consortium is a group of individuals who are committed to the preservation of Arabian horses descended from the horses bred and owned by William A. Moore, Jr. of Fairfield Farm Continuum (Hereinafter referred to as "Buzz"). The Members of the Consortium will be chosen by invitation and approval of Buzz.

The Members of the Consortium will select in order, based on a random number generator, from the existing horses at Fairfield Farm Continuum, as designated by Buzz, to be transported to the Member's farm, at Member's expense, where they will be used for showing, breeding or other useful purposes.

Ownership of the horses will remain with Buzz, but care and feeding expenses will become the responsibility of the Member.

While with the Member, the horse(s) may be bred to the mare/stallion of the choice of the Member and any offspring will become the property of the Member, unless otherwise agreed, and Member's name will be recorded on Registration as the Breeder.. Consultation in choosing the selected mate with Buzz is encouraged, but not mandatory. Also, it is requested that the resulting offspring be registered with the FFC prefix to their name to ensure the continuation of the Fairfield Farm Legacy, but this also is not mandatory.

Beginning January 1, 2027, and each January thereafter for the duration of the Consortium, the Members will correspond with each other to determine if any among them would like to add, exchange, or remove any of the original horses. The list of horses included for use by the Consortium is included later in this document. Additional horses may be added to the Consortium by Buzz at any time and sent to a Member as agreed, but none may be removed unless they are no longer wanted by any Consortium Member. Any changes in physical possession of any of the horses will be made with agreement of the members directly involved.

A Member of the Consortium may withdraw at any time as they choose. If they do withdraw whatever Consortium horse(s) in their possession must be either returned to Buzz or transferred to another Member of the Consortium, as agreed by Buzz and said selected member.

The Consortium will be terminated upon the death of all the original Consortium horses or the death of Buzz. In the event of the death of Buzz, any remaining Consortium horses will be transferred to the ownership of the Member having physical possession of the horse at that time. Transfer of ownership will be carried out with the Arabian Horse Registry by the Executor of Buzz's Estate or other individual having been granted that authority by Buzz.
